FURTHER RESOLVED, The following schedules of Sewer Service Charges to be paid by all dischargers to San Francisco's sewerage system are hereby adopted and imposed pursuant to Part II, Chapter X, Article 4.2, of the San Francisco Municipal Code (Public Works Code):

SCHEDULE A. This schedule shall apply to users connected to an individual or a common water meter whose sewage discharge contains more than fifty percent (50%) wastewater originating from the result of human habitation in dwelling units, defined herein to be a room or suite of two (2) or more rooms that is designed for, or is occupied by, one (1) family doing its own cooking therein and having only one (1) kitchen; provided, however, that dwelling unit shall not include a boarding house, motel or hotel as defined in the City Planning Code. The rates under this schedule are based upon the typical strengths (parameter loadings) of residential wastewater as determined by the Director of Public Works and upon the parameter costs as follows:

PLUS	
Suspended Solids discharged	$0.1242 per lb.

Based upon the above parameters and unit costs all residential users who have not had their flow factor percentage (percentage of

water consumption discharged to the sewer) reduced as a result of the Residential Users Appeals Procedure shall be charged on the basis of water consumption in accordance with the schedule of rates which includes a flow factor of ninety percent (90%), as follows:

LIFELINE RATE - The first 300 cubic feet of water consumption per residential dwelling unit per month shall be charged at the lifeline rate of $0.664 per 100 cubic feet of water consumption.

Residential users whose flow factor percentages have been reduced as a result of Residential Users Appeals Procedure shall be charged on the basis of water consumption in accordance with the above unit rates, except that the flow factor shall be that determined by the appeals procedure instead of ninety percent (90%).

SCHEDULE B. Users, other than those users charged under Schedule A of this resolution, whose parameter loadings are established by the Director of Public Works in accordance with the provisions of Part II, Chapter X, Articles 4.1 and 4 2, of the San Francisco Municipal Code (Public Works Code) shall be charged the cost for each parameter according to the following:

WHEREAS, Senate Bill 246, introduced by Senator Schmitz on February 9, 1981, is an act to amend Sections 49073, 67140, and 76240 of the Education Code, relating to student records; and

Mayor

FILE NO. 12-81-2 RESOLUTION NO. 526-81

ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 1980-81 PURSUANT TO CALIFORNIA CONSTITUTION ARTICLE XIIIB

WHEREAS, Article XIIIB of the California Constitution provides that the annual appropriations of the City and County of San Francisco which are subject to said Article may not exceed the appropriations limit for the prior year, with adjustments as provided in said Article XIIIB; and

WHEREAS, the growth in assessed value of property in the City and County of San Francisco attributable to new construction far exceeds the annual change in San Francisco's population; and

WHEREAS, this new construction has significantly increased the daytime commuter population of the City and County of San Francisco, requiring it to provide increased services to nonresidents who work, do business in or for other reasons come to San Francisco on a regular daily basis; and

WHEREAS, the need to provide these increased services requires the City and County of San Francisco to make increased expenditures; and

WHEREAS, Section 7902 of the Government Code of the State of California sets forth the equation to be used for determining said appropriations limit, i.e. multiplying the total appropriations limit for fiscal year 1978-79 by the lesser of the change in cost of living for calendar year 1979 or the change in California per capita personal income for calendar year 1978, multiplied by the change in population in the Standard Consolidated Statistical Area which includes the City and County for calendar year 1978; said product to be multiplied by the lesser of the change in cost of living for calendar year 1980 or the change in California per capita personal income for calendar year 1979, multiplied by the change in population in the Standard Consolidated Statistical Area which includes the City and County for calendar year 1979; and

WHEREAS, the amount of the total appropriations limit for the City and County for fiscal year 1978-79 was $421,812,990; the change in cost of living for calendar year 1979 was 1.1017, which was less than the change in California per capita personal income for calendar year 1978 (which figure was provided by the California Department of Finance, as were the following figures on population and per capita income changes, pursuant to Government Code Section 7909); the change in population for calendar year 1978 was 1.0092; the change in California per capita personal income for calendar year 1979 was 1.1211, which was less than the change in cost of living for calendar year 1980; and the change in population for calendar year 1979 was 1.0122; and

WHEREAS, the resulting calculation establishes the City and County's unadjusted appropriations limit as follows:

$421,812,990 X 1.1017 X 1.0092 X 1.1211 X 1.0122 = $532,195,536; and

WHEREAS, Article XIIIB Section 3(b) provides for adjustments to said appropriations limit whenever the financial source for the provision of services is transfered in whole or in part from other revenues, such as property tax revenues, to

regulatory licenses, user charges or user fees for the year of such transfer; and

WHEREAS, $39,660,378 in property tax revenues was appropriated to the Municipal Railway budget for fiscal year 1978-79, and $29,351,870 in property tax revenues was appropriated to the Municipal Railway budget for fiscal year 1980-81, resulting in a net decrease in Municipal Railway funding from proceeds of property taxes of $10,308,508; and

WHEREAS, this Board has considered this matter at a regularly scheduled ~~[or: a noticed special]~~ meeting; and

URGING THE PRESIDENT AND CONGRESS OF THE UNITED STATES TO ACT IMMEDIATELY TO CALL UPON ALL NATIONS TO JOIN IN A TEMPORARY SUSPENSION OF NUCLEAR WEAPONS PRODUCTION WHILE A PERMANENT, INTERNATIONAL NUCLEAR ARMS BAN IS PROMULGATED.

WHEREAS, The Board of Supervisors of the City and County of San Francisco are alarmed by an international political climate that increasingly presents nuclear war as a "Rational" possibility; and

WHEREAS, Present medical and scientific evidence show that nuclear war, even a "limited" one, would result in death, injury, and disease on a scale unprecedented in human history; and

WHEREAS, Medical disaster planning for a nuclear war is meaningless, since most hospitals would be destroyed, most medical personnel dead or injured, most supplies unavailable, and those who survive initially would eventually die; and

WHEREAS, The economic, ecological, and social fabric on which human life depends would be destroyed in the United States, and most of the rest of the world; and

WHEREAS, Worldwide fallout would contaminate much of the globe for generations, and the atmospheric effects would severely damage all living things; and

WHEREAS, The present costs of preparation for nuclear war are so draining the national resources that we are unable to provide adequately for the general welfare, the very function we were elected to perform; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby urge the President and Congress of the United States to act immediately to call upon all nations to join in a temporary suspension of nuclear weapons production while a permanent, international nuclear arms ban is promulgated; and, be it

FURTHER RESOLVED, That copies of this resolution be furnished to her Honor, the Mayor, for transmission to the Federal Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the Congress, with the request that all necessary action be taken to ensure the enactment of the above described legislation.
